

March 13, 2017

Friends,

For 46 years, the Carolina Traffic and Transportation Club (CTTC) has been a presence in our community. The CTTC's primary purpose is to promote the interests of the transportation industry and provide opportunities for logistics professionals to network.

In addition, our organization has also been aware of our role in benefiting our community in a direct manner. For many years the CTTC has raised money and donated to local charities in the Lancaster, Chester and York county areas. In 2002, we were introduced to Mr. Bill Sumner and learned the story of the Lancaster Children's Home. Since that time, the CTTC has focused on raising money for the home to benefit the children there.

Our traffic club, sponsors, volunteers along with the staff and children of the Lancaster Children's Home attempt to make our golf outing better each year. Everyone that has participated is not only impressed with the event but also feel a sense of satisfaction knowing the funds raised go to help at risk children in our community. Since 2002 the CTTC has donated thousands of dollars to the home from the proceeds of our outings!

Our golf outing this year will be held on May 9, 2017. Enclosed is a registration form for our May outing. As you will see as you review the registration, the \$75 entry fee covers the golf, on course ice cold beverages during play, close up prizes on all 4 Par 3's and long drive prizes. After play, there is a cookout provided by the staff and volunteers from the Lancaster Children's Home for all players, guests and sponsors. 1st, 2nd and 3rd place teams receive prizes. In addition to the golf and games, all participants' entry fee includes a ticket for a cash drawing (***you must be present to win***). Extra tickets are available for non-golfers that would like a chance to win the cash prize. We are adding additional sponsorship opportunities for this year's outing and hope that you will participate at one of the levels.

I would like to issue a personal invitation for you to join me and the CTTC for a day of fun, golf and good fellowship with a greater purpose. If you cannot play golf, would you consider sponsoring our tournament? Please help us help the children!

Sincerely,

Bill McKinney
President
